<b>No. of students/people participated</b>	16
<b>Description of event/project/reward</b>	The purpose of this activity is to bring 14 foreign students of advanced management accounting to visit the local small and medium-sized service industries, including accounting firms, law firms and management consulting companies, through industry-academic cooperation in the Dali Software Industrial Park.
<b>Photo and description</b>	 <p>After the visit, we took a group photo with the owner who runs a small and medium-sized service company in the Dali Software Industrial Park</p>

**Outcome/Impact**

During this off-campus study visit, the students gained a lot, and they were able to deeply understand the operating methods and difficulties of small and medium-sized enterprises, which also served as a reference for their startup business in the future.
